OROLAM WORKSHOP

Orolam (World Light) is a musical project that was inspired by Lior Ben-Hur’s work with Jewish children and youth in the Bay Area. Using traditional and original music, the Orolam workshop takes students on an experiential musical journey. In this journey students explore their Jewish identity, discuss traditional texts and delve into issues concerning contemporary Israel.

Born and raised in Jerusalem, Israel, Lior Ben-Hur has traveled to over a dozen countries where he has spent time learning, performing and sharing experiences with musicians around the world. For the last ten years he has made his home base in San Francisco, CA, where he has been performing, songwriting and teaching music at several schools and congregations.

Lunch reservations required by MONDAY, JANUARY 19
